on certain conditions. The papers relating to those matters have not been sent.

2 The Temples are reported to have at ~~its~~ their credit a sum of Rs 2660-0-4 jointly in the Savings Bank. It is not known why this sum is allowed to remain in the Savings Bank. This is opposed to the standing orders of Govt and in G.O. No 2124-33 / M.7.638-09-4 of 22-2-1911 the Dy Comrs were directed to withdraw such sums from the Savings Banks and credit them to Muz. Funds or invest them in Govt Securities.

5 M. 7. 206-12 (re restoration of management ~~to~~ of the temples to Bhishta Bhatta) is put up herewith. From the reference file M.7. 359-09-1&10 placed therein and from Sl 1 of M.7-206-12, the following facts are gathered.

Orig X

6 The inam lands of the temple were originally in the enjoyment of Subbabhatta and Bhishtabhatta who claimed to be Vahivatdars of the temple As it was found that the temples had been allowed to fall into a state of disrepair and ~~that~~ no puja was being performed, the Dy Conr Mr Narain Rao ordered (without formal sanction of Govt) that the Vahivatdars should be dispossessed of the inam lands, that the management should be ~~assumed~~ assumed by Govt and that proper arrangements for puja, repairs &c should be made. A sum of Rs 1851-12-10 received from the Saguvalidars of the lands was credited to the Treasury in favour of the institutions. An appeal having been preferred by Govt by the Vahivatdars

against the Dy Comr's order, a report was called for from the Dy Comr and after ~~this~~ receipt of the report, Govt (in their order no 1527/M-7-395-09-8 & 7-12-1910) directed the Dy Comr to make further enquiry after giving one more opportunity to the petitioners to represent their case and pass a regular order ~~and in the meantime~~ the lands were ordered to continue to remain under the Govt management. Govt further observed that it may be possible to provide for the repairs of the temple out of the money in the hands of Govt and to arrange for regular worship according to a fixed scale, for the maintenance of a reserve fund for repairs and for supervision by Dharmadarsis. In his latest letter (no 116/Mug 27 & 26-9-12), the Dy Comr has reported that he has issued orders to the Amildar to place Bhishta Bhatta in charge of the and lands, as he agreed to conduct the management of the temples according to the conditions laid down by the Amildar, to render proper accounts of

income and expenditure, to credit every year a sum of Rs 1000/- out of the proceeds of the temple ~~funds~~ lands to the Treasury in favour of the temples and to bestow proper attention on the cultivation of the lands. (The estimated value of the proceeds from temple lands is stated to be Rs 700 and the scale of expenditure provided for the temples, inclusive of Govt dues, to be Rs 500). The Dy Comr has thereupon been required to send up the entire file of Ver. records. It is seen that neither for the resumption of the lands nor for their subsequent restoration was sanction of Govt obtained.

7 The cost of the ~~estimate~~ repairs for which an estimate has now been sent, is proposed to be met from the income which accrued to the temples during the period they were under Govt as suggested in para 2 of the Govt order dt 7-12-1910. But as the management has now been restored to the Vahi Bhistabhatta by the Dy comr, the question of handing over the amount now at the credit of the temples also to
